

Zytron 200

Fabric Color

Gray

When You Need More Strength And A Wider Range Of Protection.

- Offers protection from an expanded range of chemicals.
- Styles available with both bound and heat sealed/taped seams.
- Stronger fabric especially valuable where rip-out is a concern – offers greater physical strength for more demanding work applications.
- Applications: Chemical handling, petrochemical operations, hazardous material clean-up and remediation.

Zytron 200 Specific Chemicals Tested* Chemical Minutes Acetic Acid >480 Acetonitrile 52 Acrylonitrile 65 Aniline >480 **Battery Acid** >480 Benzene 36 Caustic Soda >480 Chlorobenzene 38 Crude Oil >480 **Dimethyl Sulfate** >480 Ethanol >480 Fuel Oil LS >480 **Hydrofluoric Acid 48%** >480 Hydrogen Peroxide >480 Jet Fuel A >480 Methanol >480 Methyl Acetate 330 Methyl Bromide 59 N,N-Dimethylformamide 77 Nitric Acid >480 Nitrobenzene 97 Phenol @43 C 287 Potassium Hydroxide >480 Sodium Hydroxide >480 Sodium Hypochlorite >480 >480 Sulfuric Acid Trifluoroacetic Acid

* Industrial chemical testing was conducted in accordance with ASTM F 739 with normalized breakthrough times reported in minutes. For detailed technical data and physical properties visit kappler.com.

WARNING: This information is based on technical data that Kappler believes to be reliable. It is subject to revision as additional knowledge and experience are gained. The website will contain Kappler's most up-to-date product information, and customers who receive pamphlets, brochures or other literature should be aware that such "hard copy" information may not be as current as the information on Kappler's website. Customers also should recognize that there are uses, environments and chemicals for which Kappler products, garments and/or fabrics are unsuitable. It is the responsibility of the user to review available data and verify that the product, garment and/or fabric is appropriate for the intended use and meets all specified government and/or industry standards. Also, the customer should review all available information on the website to understand the uses - and limitations - on ALL products, garments and fabrics which Kappler makes available.

CAUTION: Do not use for fire protection. Avoid open flame or intense heat.
